

## Center Stage Productions 2024 Sponsors

Center Stage Productions was started in 2022, with the vision to give youth in the Yuba-Sutter area an opportunity to participate in high quality, full stage musicals in their local community. One goal for our company is to provide a safe, fun, and educational environment for youth. Through workshops and productions, students will learn theatre history, etiquette, as well as superstitions. They will be given opportunities to build their portfolios, have headshots done, improve their audition skills, and write resumes. When appropriate, participants will be given opportunities to choreograph and direct, to gain a better understanding of what it takes to put on a show. We want participants to leave with skills that will help them further their passion for musical theatre.

In our first year, with a cast of 32 youth, from ages 7-17 years, we were so proud to present “Seize the Day: A Musical Theater Concert Revue” to the Yuba Sutter community! We followed that amazing production with monthly workshops to prepare students for their upcoming musical theater ventures! Last year, we were excited to have 39 youth from the Yuba-Sutter area participating in Seussical, which ran for six sold-out performances!

As we begin our third season, we are looking for sponsors to financially support and further our mission. This year, to meet the level of interest in musical theater, we are putting on two musicals: Newsies & Frozen Jr! With nearly 60 students participating this year, our need for sponsors has grown immensely! Sponsors for this season will receive advertising in our program and on our website, and (depending on level of sponsorship) tickets to a performance of their choice.

Our goal for this season is \$20,000, to help cover the cost of both shows and to assist in the purchasing of headset microphones! It is a large and ambitious goal, but we believe that with support from our community, we will reach it!
